

Finn's Weather Explorer Diary

Learning objective: To observe and describe the weather in our local area and understand how it changes over the course of a week.

Join Finn the dolphin on his land-based adventure! Look out of your window or go for a walk outside each day. Observe the sky, the air, and the ground. Fill in your diary to show what the weather is like today and how it makes you feel.

Word bank: Sunny · Cloudy · Rainy · Windy · Snowy · Hot · Cold · Stormy · Breezy · Bright

1. Today's Date and Time: Write the date and tell me if it is morning or afternoon. (2 marks)

2. The Sky Report: What does the sky look like? Are there clouds, or is the sun shining? (2 marks)

3. The Temperature Check: Does it feel hot or cold outside? How do you know? (2 marks)

4. My Clothing Choice: If you were going to play outside with Finn, what would you wear to stay comfortable? (2 marks)

5. Weather Feelings: How does this weather make you feel? Do you like playing in this weather? (2 marks)

Extension challenge: Ask an adult to help you find out the temperature in degrees Celsius today. Can you draw a picture of the weather symbol that matches the forecast?
