

The Kingdom of Benin: A Historical Investigation

Learning objective: To research and describe the significance of the Benin Kingdom, focusing on its society, trade, and artistic achievements.

Use this writing scaffold to organize your historical report. Think about the legacy of the Oba and the skilled craftspeople of Benin City. Use the word bank to help your writing flow.

Hidden within the dense rainforests of West Africa, the Kingdom of Benin grew into one of the most powerful and organized civilisations of the medieval period.

Word bank: furthermore · consequently · in addition to · prosperous · sophisticated · significant · monarchy · craftsmanship · strategically · nevertheless

1. The Role of the Oba: Explain why the Oba was considered the most important figure in Benin society. Start by saying: The Oba held absolute authority because... (3 marks)
