

Eastertime with Pip and Friends

Celebrate the wonder of Spring with Pip the caterpillar!

- **Easter is a special time of year when many people celebrate the arrival of Spring.**
- **Pip the caterpillar loves how the garden turns green and flowers start to grow during the Easter season.**
- **Eggs are often used as a symbol of Easter because they represent new life beginning.**
- **Many families enjoy sharing special meals and treats together during the Easter holiday.**
- **For many people, Easter is a time to visit their friends and family and share kindness.**
- **Bright colors like yellow, pink, and green are often used to decorate for the Easter celebration.**

Did you know? Did you know? In many countries, Spring is a time when the days get longer and the flowers start to bloom, which is why we use symbols of new life like eggs and flowers to celebrate Easter.
