

Journeys of Faith: The Pilgrim's Path

Learning objective: To understand the meaning of pilgrimage and identify why individuals choose to undertake a journey to a place of special religious significance.

Read the scenarios below about people traveling to sacred sites. For each scenario, decide if it represents a 'Pilgrimage' (a journey for religious or spiritual growth) or a 'General Journey' (a trip for holiday, work, or leisure). Sort the items into the correct category and justify your reasoning using the provided word bank.

Word bank: Sacred · Spiritual · Reflection · Devotion · Tradition · Significant · Penance · Community

6. Scenario 6: If you were to plan a personal 'journey of reflection' to a place that is special to you, where would you go, and what internal qualities would you hope to gain by the end of your journey? (3 marks)

Draw: Draw a symbolic 'pilgrim's staff' or 'journey map' that includes three symbols representing the values of peace, patience, and reflection.
