

Nova's Seasonal Sorting Adventure

Learning objective: To observe and describe the changes across the four seasons and identify the characteristics of each.

Nova the owl has been watching the trees and the weather all year long! Look at the list of items in the word bank below. Help Nova sort them into the correct season by writing the word in the correct box. Think about what the weather is like and what happens to the plants during that time.

Word bank: Snowman · Yellow daffodils · Falling red leaves · Hot sun · Ice · Green buds · Rainy days · Beach trip

1. Spring: Which things from the word bank grow when the weather gets warmer and the flowers wake up? (2 marks)

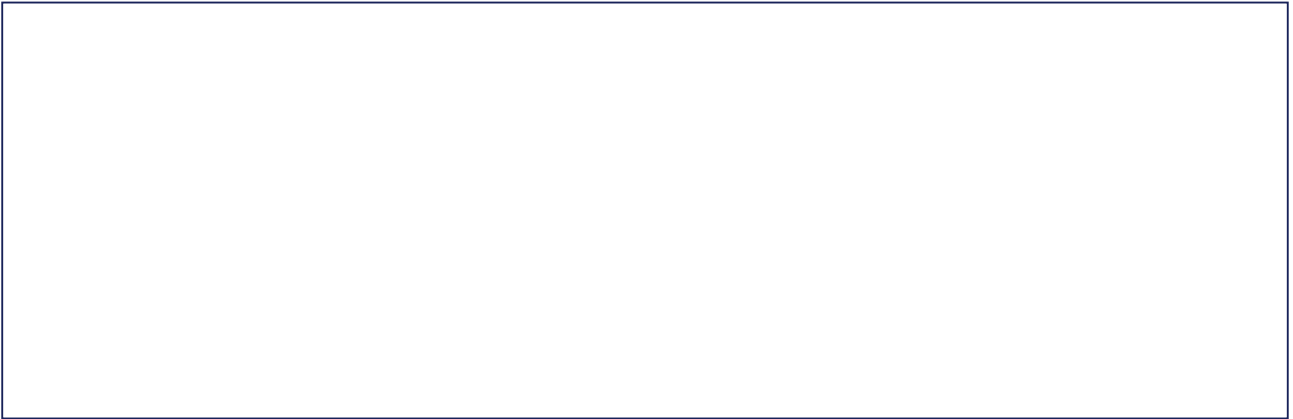

2. Summer: Which things from the word bank happen when it is very hot outside? (2 marks)

3. Fall: Which things from the word bank happen when the leaves change color and fall from the trees? (1 mark)

4. Winter: Which things from the word bank happen when it is very cold and there might be frost? (2 marks)

5. Nova wants to know: What is your favorite season and why? (2 marks)

Draw: Draw a picture of a tree in your favorite season. Remember to show what the weather looks like around the tree!

Extension challenge: Go on a nature walk with an adult. Can you find one thing that shows it is [current season]? Draw a picture of it in your science journal.
