

Rosa's Calendar of the Year

Learning objective: To learn and recall the Spanish names for the months of the year.

Rosa the parrot wants to create a beautiful calendar for her nest. Follow the steps below to illustrate the Spanish months. Make sure your labels are clear and spelled correctly in Spanish.

Draw: Draw a large circular calendar on your page. Divide it into 12 equal segments like a pizza. In each segment, write the correct Spanish month from the word bank. In each section, draw a small icon representing that month (e.g., a flower for 'abril', a sun for 'julio', or a leaf for 'octubre'). Keep your drawings neat and colorful.

Label words: enero · febrero · marzo · abril · mayo · junio · julio · agosto · septiembre · octubre · noviembre · diciembre

Steps:

1. Write the Spanish word for the first month of the year.
2. Which month comes after 'junio'? Write it in Spanish.
3. If 'diciembre' is the last month, what is the month before it?
4. Explain why the months 'enero' and 'febrero' might be drawn with snowflakes in your picture.
5. Translate 'My favorite month is...' into Spanish: 'Mi mes favorito es...'
