

Sheet 6: The 'ph' Digraph

Worked example:

Say the sound of 'ph' in this word: dolphin.

Answer: dol-ph-in

• Trace the 'ph' sound in these words:

phone photo dolphin graph

• Draw a line to match the word to the correct picture description:

phone: a device to call a friend photo: a picture of a memory dolphin: Finn swimming in the sea graph: a chart to show numbers

• Fill in the missing 'ph' to complete the words:

___one gra___ dol___in ___oto

• Read these sentences aloud to a partner:

Finn the dolphin can jump. I took a photo of the sun. Use the phone to call Mum. Look at the math graph.

• Write a sentence using the word 'dolphin':

Finn the dolphin...

Self-check: Check that every word you wrote has a 'ph' in it and that you said the /f/ sound clearly for each one.

Ready for next: Once you can confidently read and write 'ph' words, you are ready to learn about the 'ai' sound in the next sheet!
