

Sheet 16: Telling the Time

Worked example:

Max the monkey wants to show 4 o'clock. Draw a long hand pointing to 12 and a short hand pointing to 4.

Answer: Long hand on 12, short hand on 4.

- **Draw hands on these clocks to show the time:**

2 o'clock Half past 6

- **Draw hands on these clocks to show the time:**

9 o'clock Half past 12

- **Draw hands on these clocks to show the time:**

5 o'clock Half past 3

Self-check: Check your clock: for o'clock, the long hand is on 12; for half past, the long hand is on 6.
