Zara’s Christmas Art Workshop

Get creative and make your world shine bright this Christmas!

- **We can use sparkly glitter to make our Christmas pictures glow and shine.**
- **Red, green, and gold are traditional colours that help us feel festive.**
- **A collage is made by sticking different shapes, paper, and textures together.**
- **Making a paper chain is a fun way to practise making patterns with colours.**
- **Handmade cards are special gifts that share kindness with our friends and family.**

Did you know? Did you know? Zara the zebra loves to look at snowflakes! Every single snowflake is different, but they all have beautiful, symmetrical patterns that you can recreate using paper and scissors.

Key vocabulary: sparkle · pattern · texture · festive · collage · symmetrical
