

Zara's Colourful Art Quiz

Learning objective: To identify primary and secondary colours and understand how they are mixed.

Hello! I am Zara the zebra. I love using colours to make my art pop! Read the questions carefully. Use the word bank if you get stuck. You can do it!

Answer Key: 1. A (Primary), 2. True, 3. True, 4. Green, 5. C (Orange), 6. False, 7. Primary, 8. Purple, 9. True, 10. Secondary.

Word bank: Primary · Secondary · Green · Orange · Purple · Red · Blue · Yellow

1. 1. Red, Blue, and Yellow are known as [A] Primary* [B] Secondary [C] Neutral [D] Dark colours. (1 mark)

2. 2. True or False: You cannot make primary colours by mixing other colours. (1 mark)

3. 3. True or False: Mixing two primary colours creates a secondary colour. (1 mark)

4. 4. What colour do you get when you mix Blue and Yellow? (Hint: Think of grass!) (1 mark)

5. 5. Which colour is made by mixing Red and Yellow? [A] Blue [B] Green [C] Orange* [D] Black. (1 mark)

6. 6. True or False: Mixing Red and Blue makes Yellow. (1 mark)

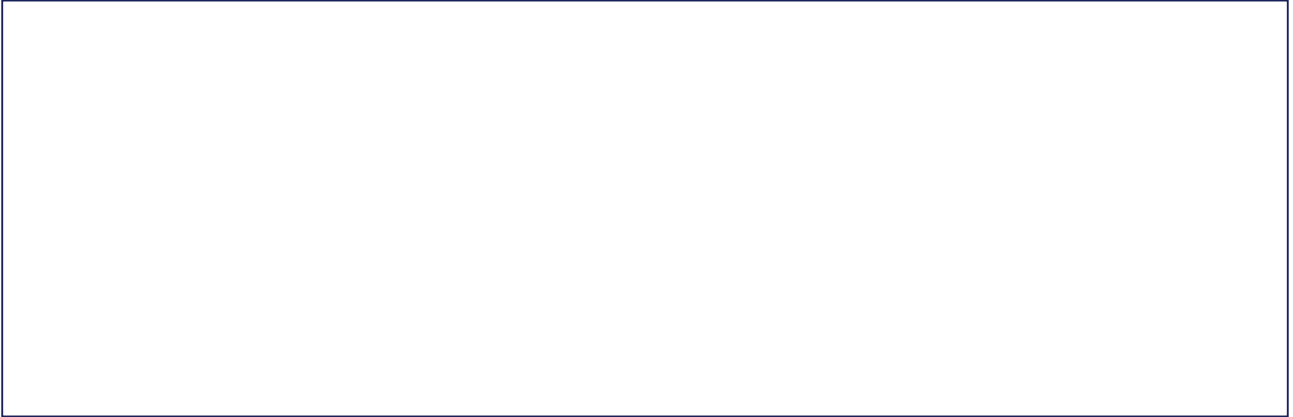

7. 7. Is Red a Primary or Secondary colour? (1 mark)

8. 8. What colour do you get if you mix Red and Blue? (1 mark)

9. 9. True or False: An artist uses a colour wheel to help choose colours that look good together. (1 mark)

10. 10. Is Green a Primary or Secondary colour? (1 mark)

Draw: Draw a small colour wheel. Use a red circle, a yellow circle, and a blue circle. In the gaps between them, draw the new colours you created by mixing them!

Extension challenge: Look around your room. Can you find three items that are primary colours and three items that are secondary colours? Write a list of what you found.
