Paragraph Power with Max the Monkey!

Max’s Top Tips for Perfect Paragraphs!

- **A paragraph is a group of sentences that are all about the same topic.**
- **When you start a new idea, you must start a new paragraph.**
- **You can use an indent or an empty line to show where a new paragraph begins.**
- **Paragraphs help the reader understand your story or report much more easily.**
- **Always check that your sentences flow in an order that makes sense.**

Did you know? Did you know? The word 'paragraph' comes from the Ancient Greek word 'paragraphos', which means 'to write beside'. It acts like a little fence around a group of sentences that share one big idea!

Key vocabulary: Paragraph · Topic · Sentence · Organise · Structure · Idea
