

Year 4 Geography Assessment: Our World

Learning objective: To identify and describe human and physical features of the environment.

Read each question carefully. Use the word bank if you need help. Write your answers on the lines provided.

Finn the dolphin loves to travel. He looks at the coast and sees natural things like sandy beaches. He also sees things built by people, like a busy harbour with boats and a large bridge to help cars cross the water.

Word bank: Mountain · River · Bridge · Shop · Physical · Human · Coast

1. 1. Finn sees a mountain. Is a mountain a physical feature or a human feature? (2 marks)

2. 2. Name one human feature that people might build in a town. (2 marks)

3. 3. Name one physical feature that you might find in nature. (2 marks)

4. 4. Explain why a bridge is a human feature. Start your sentence with: A bridge is a human feature because... (4 marks)

5. 5. Look at your local area. Describe one physical feature and one human feature you can see near your school. Write a short paragraph. (5 marks)

Draw: Draw a picture of a park. Include one physical feature (like a tree or a pond) and one human feature (like a bench or a path). Label them.

Extension challenge: Imagine you are building a new village. List three physical features you would want to be near and two human features you would build. Total: /25
