

Helping Our Planet: A Sustainability Guide

Learning objective: To write a short report about how we can protect our environment and save resources.

Use the prompts below to write your report. Think about what Finn the dolphin sees in our oceans and how we can keep them clean. Use the word bank to help your sentences flow.

Sustainability means looking after our world today so that it stays healthy for people and animals in the future.

Word bank: because · therefore · also · for example · sustainability · protect · environment · rubbish · reuse · recycle

1. What does 'sustainability' mean to you? Start your sentence with: Sustainability is important because... (2 marks)

2. What is one way we can reduce the amount of rubbish we make? Start your sentence with: One way to help is to... (2 marks)

3. How can saving water or electricity help the planet? Start your sentence with: Saving water helps because... (2 marks)

4. What can you do at school to be more sustainable? Start your sentence with: At school, I can... (2 marks)

Extension challenge: Write one extra sentence about why Finn the dolphin would be happy if we kept the oceans clean.
