Finn’s Global Trading Adventure

Learning objective: To understand how goods are traded between countries and why we import and export items.

Read the opening sentence below. Use the prompts to help you write your own report about trading. Use the word bank to help you build your sentences.

Finn the dolphin loves to travel across the oceans, watching big ships carry goods from one country to another.

Word bank: import · export · trade · transport · ships · planes · because · also · however · from · to

1. What does 'importing' mean? Start your answer by saying: Importing is when... (2 marks)

2. What is something our country exports to others? Start your answer by saying: One thing we export is... (2 marks)

3. How do goods travel around the world? Start your answer by saying: Goods travel by... (2 marks)

4. Why is trade important for us? Start your answer by saying: Trade is important because... (2 marks)

Extension challenge: List three things in your classroom and guess which country they might have been made in.
