# Ellie’s Ancient Greece Adventure

*Learning objective: To identify key features of Ancient Greek architecture and daily life.*

Follow the steps below to draw your Ancient Greek scene. Use the word bank to help you label your picture.

**Draw: Draw a sunny scene in Ancient Greece. Include a large stone temple with tall, straight columns. Add a person in the foreground wearing a simple, draped tunic. Place a piece of decorated pottery on the ground nearby and add an olive tree with small leaves in the corner of your page.**

*Label words: Column · Temple · Tunic · Pottery · Olive Tree*

## Steps:

1. Step 1: Draw a large building with tall pillars at the front. Label this building a 'Temple'.
2. Step 2: Draw a person standing next to the building wearing a simple dress called a 'Tunic'.
3. Step 3: Draw a round pot with patterns on the ground. Label this 'Pottery'.
4. Step 4: Draw a tree with small fruits near the building. Label this an 'Olive Tree'.
