

Our Wonderful World of Friends

Learning objective: To understand that everyone is unique and that our differences make our community special.

Use your favourite colouring pencils or crayons to bring this scene to life. Think about all the different colours you can see in the world around you!

Colour this: A large, friendly scene showing Pip the caterpillar, Nova the owl, and Max the monkey sitting together on a big picnic blanket in a park. Pip is wearing a colourful scarf, Nova has her telescope, and Max is holding a set of wooden number blocks. Around them are flowers of different shapes and sizes, and a big, bright sun in the sky. The characters are smiling and looking at each other. Draw bold, clean outlines so the children can colour inside the lines easily.

Steps:

1. Label the friend who is wearing a hat.
2. Label the friend who is holding a book.
