Our Wonderful Community

Learning objective: To understand that everyone is different and that these differences make our community special.

Follow the steps below to create a picture of a friendly group. Use the word bank to help you label your drawing.

Draw: Draw a colourful scene in a park featuring three children. The children should have different hairstyles, clothing, or interests to show diversity. Use bright colours and include details like a shared ball or a bench. The style should be friendly and clear, like a storybook illustration.

Label words: kindness · friends · unique · respect · inclusive

Steps:

1. Step 1: Draw three friends playing together in a park. Make sure each friend looks different from the others.
2. Step 2: Draw one thing that shows your friends are being kind to each other, like sharing a toy or smiling.
3. Step 3: Label your drawing using at least two words from the word bank.
4. Step 4: Write one sentence about why it is good that we are all different.
