Growing Up with Ellie

Learning objective: To understand that we change and grow over time, and to recognise the milestones of our development.

Talk about how you have changed since you were a baby. Colour in the picture and write about one thing you can do now that you couldn't do when you were tiny!

Colour this: A large, clean-line illustration showing two elephants standing in a sunny meadow. On the left, a small, cute baby elephant is sitting down holding a soft rattle. On the right, Ellie the elephant stands tall, wearing a small sun hat and a backpack, smiling kindly. In the background, there is a large tree with a height chart marked on the trunk. The scene includes simple outlines of flowers and clouds for the children to colour in.

Steps:

1. Label the baby elephant in your picture.
2. Label the big elephant in your picture.
