

Kit's Online Safety Sorting Activity

Learning objective: To identify safe and unsafe online behaviours to stay secure while using the internet.

Kit the fox loves using the internet to learn new things! Look at the list of actions below. Decide if each action is 'Safe' or 'Unsafe'. Write the action in the correct box. Use the word bank to help you spell the words.

Word bank: Safe · Unsafe · Password · Stranger · Private · Trusted adult · Report · Share

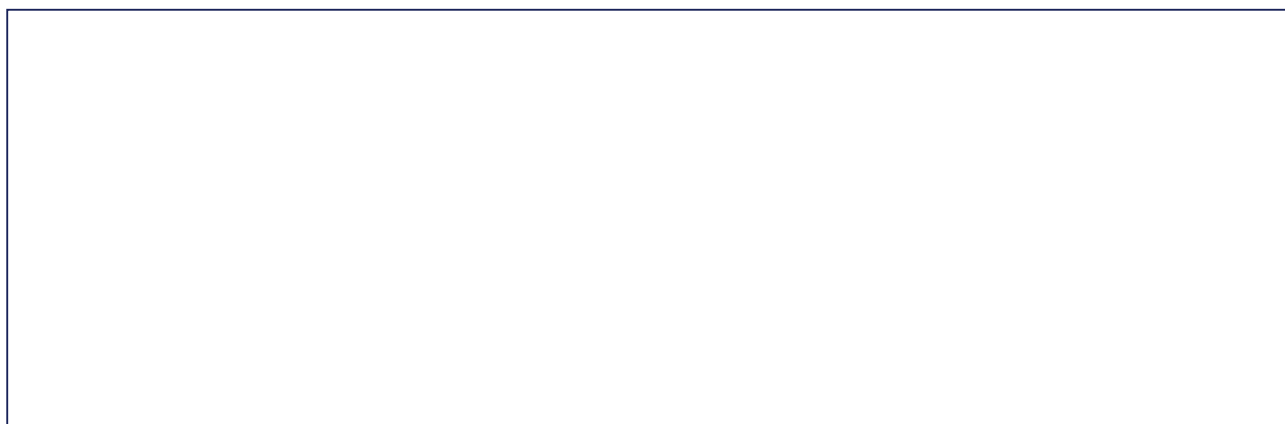

1. 1. Keeping your password secret and not telling anyone except your parents. (2 marks)

2. 2. Talking to someone online that you do not know in real life. (2 marks)

3. 3. Telling a trusted adult if something online makes you feel worried or sad. (2 marks)

4. 4. Sharing your home address or your school name with people on the internet. (2 marks)

Draw: Draw a picture of Kit the fox using a tablet computer safely. Show him sitting in a bright, happy room with a trusted adult nearby.

Extension challenge: Think of one golden rule for staying safe online. Write it as a sentence below: 'My golden rule is...'
