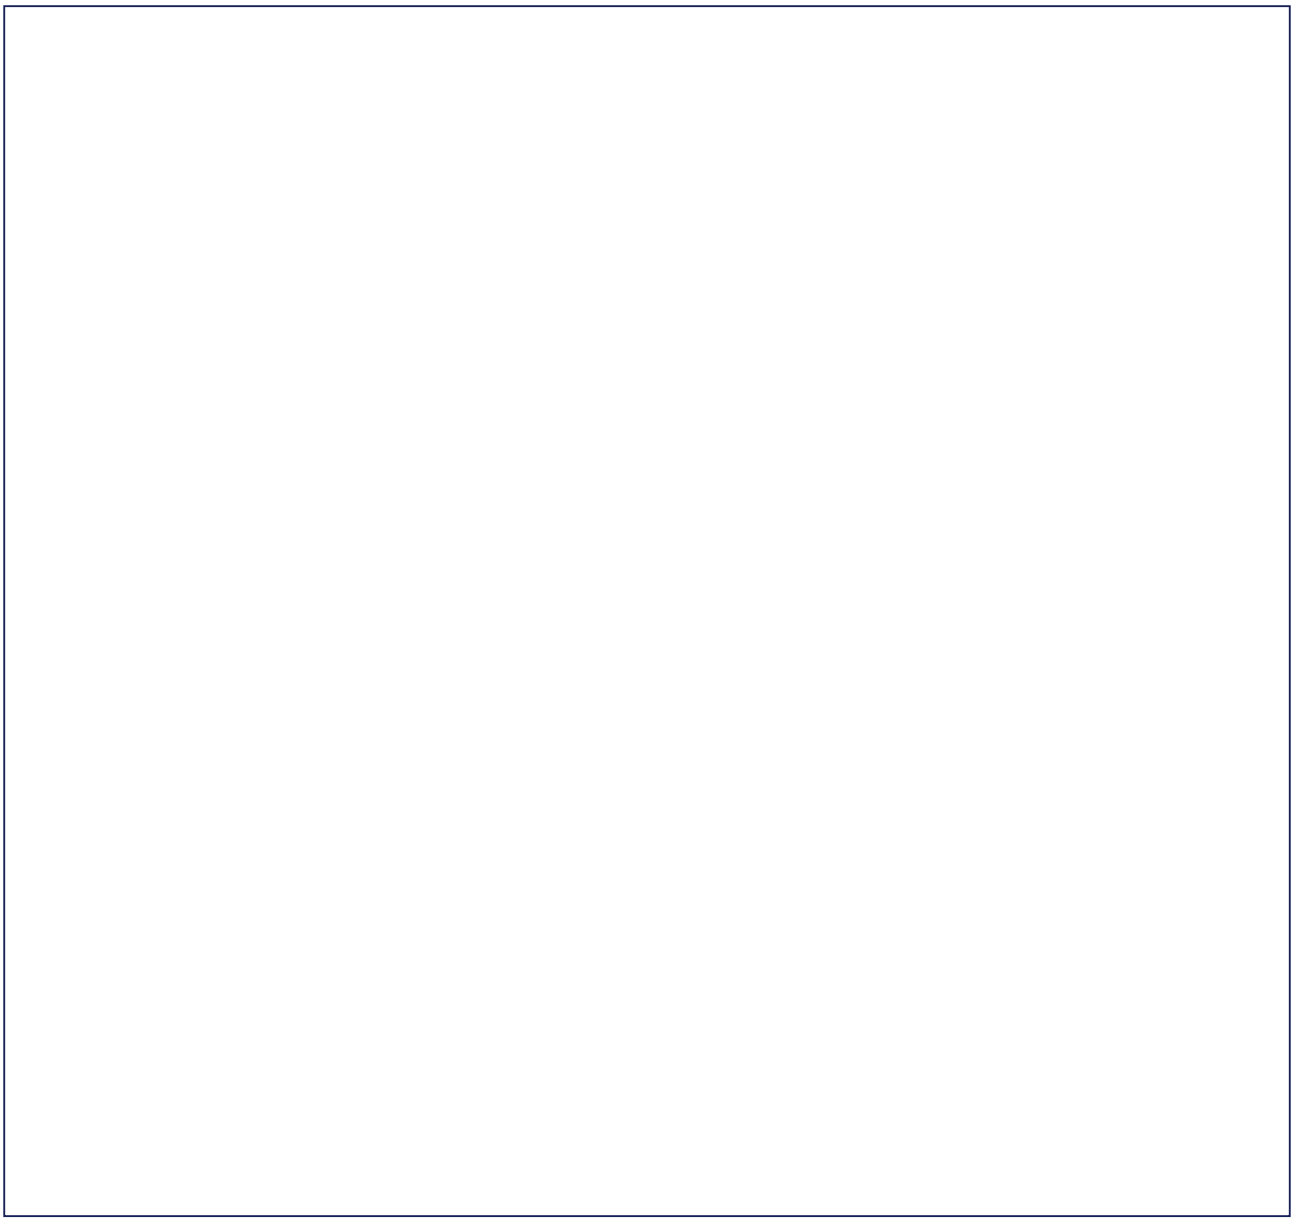
Staying Safe with Leo the Lion

Learning objective: To understand how to identify safe adults and stay safe when out and about.

Read the facts with your teacher or grown-up. Colour in the picture of Leo the Lion and his friend. Talk about who your 'safe adults' are at home and at school.

Colour this: A friendly, kind-looking lion (Leo) standing on a pavement next to a tall, smiling human adult. Leo is wearing a small backpack. The adult is holding Leo's hand firmly. In the background, there is a simple zebra crossing and a sunny sky with a few fluffy clouds. The lines should be thick and clear for colouring. Ensure the focus is on the act of holding hands and the cheerful, safe expressions on their faces.



Steps:

1. Label the safe adult in the picture.
2. Label Leo the Lion in the picture.
