Keeping Safe with Kit the Fox

Learning objective: To identify trusted adults and understand how to stay safe in different environments.

Look at the drawing space below. Use your pencils and crayons to create a scene where you are with a trusted adult. Use the word bank to label the important parts of your drawing.

Draw: Draw a bright, colourful scene on the page. In the centre, draw yourself holding hands with a trusted adult (like a parent, teacher, or grandparent). In the background, draw a safe place, such as a playground or a living room. Use clear lines and bright colours. Include space for the child to label the adult and the safe environment.
