

Being a Kind Friend

Join Pip and friends to learn how to be a star friend!

- A good friend listens carefully when you are telling them a story.
- We can show kindness by sharing our toys and taking turns.
- Using kind words helps everyone in our classroom feel happy and safe.
- If a friend is sad, we can ask them if they are okay or give them a gentle smile.
- Working together as a team makes our games and projects much more fun.

Did you know? Did you know? Even elephants like Ellie have best friends! In the wild, they use their trunks to hold hands or hug each other to show they care.

Key vocabulary: Kindness · Sharing · Listening · Feelings · Cooperation · Respect
