

Creation Stories: Drawing Activity

Learning objective: To understand how different religions describe the creation of the world through art and labels.

Follow the steps below to draw your creation scene. Use the word bank to help you label your picture.

Draw: Draw a creative scene showing the world being made. Use bright colours to show light and dark. Include a big circle for the Earth, and add details like plants, animals, and the sky. Make it look peaceful and full of life.

Label words: Sun · Moon · Stars · Plants · Animals · Earth · Light

Steps:

1. Step 1: Draw a large circle in the middle of your page to represent the Earth. Draw a line to the Earth and write the word 'Earth'.
2. Step 2: Many stories talk about light. Draw a bright sun in the top corner of your page and label it.
3. Step 3: Draw two living things that were created. Label them using words from the bank.
4. Step 4: Think about your favourite part of the world. Draw it in the space around your Earth.
