

My Animal Fact-File with Nova the Owl

Learning objective: To identify and describe the functions of different parts of the human digestive system and categorise animals by their diet.

Hello! I am Nova. I love learning about how animals and humans stay healthy. Use this fact-file to show what you know. Look at the word bank if you get stuck. Write your answers clearly in the boxes below.

Word bank: Herbivore · Omnivore · Carnivore · Stomach · Teeth · Digestion · Mouth · Energy

1. What does a herbivore eat? Use a sentence starter: A herbivore eats... (2 marks)

2. Describe the job of the mouth and teeth in the digestive system. Start with: The mouth is where... (2 marks)

3. What is the job of the stomach? Start with: The stomach helps by... (2 marks)

4. Why do animals and humans need food? Start with: We need food to give us... (2 marks)

Extension challenge: Can you draw a picture of a food chain below your fact-file? Show what a carnivore might eat.
