

Nova's Habitat Discovery

Learning objective: To describe how an animal is suited to its habitat.

Use this writing frame to describe an animal and where it lives. Use the word bank to help you write full sentences.

My chosen animal is a...

Word bank: habitat · environment · adapted · features · because · so · protection · shelter · food · climate

1. What is the name of your animal and where does it live? (Think about the type of habitat like a forest, pond, or desert): My animal lives in a... (2 marks)

2. What does your animal eat to stay healthy? (Does it eat plants, meat, or both?): To stay healthy, my animal eats... (2 marks)

3. Name two body features that help your animal survive: Two features that help my animal are... (2 marks)

4. How does this habitat keep the animal safe from the weather or other animals?: The habitat keeps my animal safe because... (2 marks)

Draw: Draw your animal in its home. Label two features that help it live there.

Extension challenge: Can you explain what might happen to your animal if its habitat changed suddenly?
