

# Nova’s Sound Science Word Mat

Learning objective: To learn and understand key vocabulary related to the topic of sound for Year 4 Science.

Key Vocabulary

Read the terms below to help you understand how sounds are made and how we hear them. Use the Word Bank at the bottom to help you remember the words during your science experiments.

|                                                |                       |                     |
|------------------------------------------------|-----------------------|---------------------|
| Nova wants to kn... What is the name of the... | If Max hits a drum... | Which word descr... |
| Why does an ech...                             |                       |                     |
