

Exploring Our Amazing World with Finn

Learning objective: To identify and describe different biomes found around the world.

Finn the dolphin is exploring the world's biomes. Look at the questions below. Use the word bank to help you complete your answers. Write in full sentences where you can.

Word bank: Desert · Rainforest · Polar · Grassland · hot · cold · dry · wet

1. Finn is swimming near a place with lots of trees and rain. Which biome is this? (2 marks)

2. A biome can be very cold with lots of ice. What is the name of this biome? (2 marks)

3. A desert is a very dry place. How would you describe the weather there? (2 marks)

4. Match the biome to the description: A large, open field with lots of grass. (2 marks)

Draw: Draw a picture of your favourite biome. Think about what the weather is like and what plants might grow there.

Extension challenge: Can you name one animal that might live in a hot desert and one animal that might live in a cold polar biome?
