

Finn's UK Regions Flashcards

Learning objective: To identify and name the different regions of the United Kingdom.

Read the front of the card to see the region name. Flip the card to see the answer. Use the word bank to help you match the region to its location.

What is the name of the country where London is the capital?	Which region is found to the north of England and is famous for its highlands?
England	Scotland
What is the name of the region to the west of England that has many mountains?	Which part of the UK is on the island of Ireland?
Wales	Northern Ireland
What is the name for the group of four countries joined together?	What do we call the line where the land meets the sea?
The United Kingdom	Coastline
What is a main city where a government meets?	What is a large area of land that has shared features?
Capital city	A region
What do we call the official lines between two countries?	What is the name for land with farms, fields, and few houses?
Borders	Countryside
