

Celebrating Amazing People: Black Social Studies / History

Join Ellie the Elephant on a journey through history to discover heroes who changed the world!

- Rosa Parks was a courageous person who helped people stand up for fairness and equality in their daily lives.
- Walter Tull was a talented footballer and a brave soldier who showed great strength and kindness in everything he did.
- Mae Jemison worked very hard to become an astronaut, becoming the first Black woman to travel into space to look at the stars.
- Mary Seacole used her skills as a nurse to care for others, showing that helping people is a very special job.
- Social Studies / History is the story of how people from all backgrounds have helped to shape the world we live in today.
- We remember these heroes to celebrate their bravery, their clever ideas, and the way they made our world a kinder place.

Did you know? Did you know? Mary Seacole was a brave nurse who travelled a very long way to help soldiers feel better during a war. She used her own money to build a place called the 'British Hotel' to provide food and medicine for those in need!
