Diversity and Inclusion Flashcards

Learning objective: To understand that everyone is unique and that including others makes our community stronger.

Read the front of each card. Think about the answer. Then, check the back of the card to see if you were right. You can use the word bank to help you understand the meanings.

What is Diversity? Diversity means that everyone is different and unique in their own way.	**What is Inclusion?** Inclusion means making sure everyone feels welcome and part of the group.
What does it mean to be Unique? Being unique means there is nobody else exactly like you.	**What is Respect?** Respect is treating others kindly and listening to their ideas.
What is a Community? A community is a group of people who live, work, or learn together.	**What is Empathy?** Empathy is trying to understand how someone else is feeling.
Pip the caterpillar loves reading. How can we show inclusion? By inviting someone to join in with our games or reading time.	**True or False: Everyone should be the same.** False. Our differences make the world interesting.
How can you show kindness to a new classmate? Smile at them, say hello, and ask them to play.	**Why is it good to listen to new ideas?** It helps us learn and understand how other people see the world.
What should you do if you see someone left out? Ask them to join your group or play with you.	**Can a group be strong if everyone is different?** Yes! Different people bring different talents to the group.
