Celebrating Our Amazing Differences

Be Bold, Be Kind, Be You! Join Pip and friends in celebrating what makes us all unique.

- **Diversity means that we celebrate the many different ways people live, look, and think.**
- **Inclusion is making sure that everyone feels welcome and has a fair chance to join in.**
- **Respect means we value others, even when they have different ideas or backgrounds to our own.**
- **Our differences help us learn new things and solve problems in creative ways.**
- **Kindness is the golden rule; treat everyone the way you would like to be treated.**

> *Did you know? Did you know? Even though every zebra in a herd has stripes, no two zebras have the exact same pattern! Just like Zara the zebra, every human has their own special set of talents and traits that make them one-of-a-kind.*

Key vocabulary: Diversity · Inclusion · Unique · Respect · Community · Kindness
