

Leo's Guide to Staying Safe and Happy

Be a Safety Star: Stay Close, Stay Safe!

- A trusted adult is someone who looks after you and keeps you safe, like a teacher, a parent, or a grandparent.
- When we are out and about, we always hold a grown-up's hand to stay safe and close by.
- If you ever feel scared or worried, it is always a good idea to tell a trusted adult how you are feeling.
- We keep our friends safe by using kind hands and kind words when we play together.
- In an emergency, we can look for a police officer or a shop assistant who can help us find our grown-up.

Did you know? Did you know? Leo the Lion always uses his loud, brave roar to call for help if he ever feels worried or lost. You have a special voice too, and it is very important to use it whenever you need to talk to a grown-up you trust!
