

Zara's Autumn Art Adventure

Learning objective: To explore seasonal changes through art and develop fine motor control by colouring within outlines.

Look at the picture of Zara the zebra playing in the autumn leaves. Use your favourite autumn colours like red, orange, yellow, and brown to colour in the scene. Can you see the different shapes of the leaves?

Colour this: A large, friendly zebra named Zara standing in a park. Zara is holding a basket. Around Zara are several large, distinct autumn leaves on the ground with different shapes: one oak-shaped leaf, one maple-shaped leaf, and one round leaf. There is a large tree trunk to the side with a few branches showing. The lines should be thick and clear for easy colouring. Zara is wearing a small, simple scarf.

Steps:

1. Label the 'leaf' in your picture.
2. Label the 'tree' in your picture.
