

Zara's Christmas Art Workshop

Learning objective: To explore creative expression through colouring and identifying festive objects while developing fine motor skills.

Help Zara the Zebra decorate her workshop for the festive season! Use your favourite colours to bring this Christmas scene to life.

Colour this: A line-art drawing featuring Zara the Zebra standing in a cosy room. Zara is holding a paintbrush. In the centre, there is a large, triangular Christmas tree with simple geometric shapes (circles and stars) hanging from its branches. A large five-pointed star sits at the very top. To the left of the tree is a fireplace with a single, large stocking hanging from the mantelpiece. The floor has a simple rug with a repeating striped pattern for the children to colour. The lines should be thick and clear for easy colouring by 3-5 year olds.

Steps:

1. Label the star at the top of the tree.
2. Label the stocking hanging by the fireplace.
