

Kit's Guide to Staying Safe Online

Learning objective: To understand how to keep personal information private and stay safe when using the internet.

Read the sentences below. Use the word bank to help you complete your own guide to staying safe online. Fill in the boxes with your ideas.

Kit the fox says that the internet is a brilliant place to learn, but we must always follow the golden rules to stay safe.

Word bank: password · private · stranger · trusted adult · information · share · secret · online · because · and · so

1. Why should you keep your personal information, like your address or school name, a secret? Start your answer with: I keep my information private because... (2 marks)

2. What makes a strong password? Start your answer with: A strong password is hard to guess and I should... (2 marks)

3. What should you do if someone you do not know sends you a message online? Start your answer with: If a stranger sends me a message, I will... (2 marks)

4. Who should you talk to if something online makes you feel worried or sad? Start your answer with: If I feel worried, I will talk to a trusted adult because... (2 marks)

Extension challenge: Design a colourful 'Internet Safety' poster for your classroom using three of your rules.
