

# Mastering Apostrophes: The Essential Word Mat

Learning objective: To understand and correctly apply apostrophes for both possession and omission in line with Year 6 grammar expectations.

## Key Vocabulary

Use this reference mat to help you identify when to use an apostrophe. The terms are grouped into three categories: 'The Basics', 'Possession', and 'Omission'.

|                                                     |                       |                    |
|-----------------------------------------------------|-----------------------|--------------------|
| Max is writing a s... 'The monkeys tail was ...     | What is the differ... | Why do we say t... |
| Rewrite this sent... 'Do not forget that it is t... | If two characters,... |                    |
