

Rosa's French Body Parts Challenge

Learning objective: To identify and label parts of the body using French vocabulary.

Follow the drawing steps below to build your own character. Then, use the word bank to label the correct body parts in French.

Draw: Draw a friendly robot character in the centre of your page. Use clear, simple lines. Make sure there is enough space around the robot to draw arrows pointing to each body part so you can write the French labels clearly.

Label words: la tête (head) · le bras (arm) · la main (hand) · la jambe (leg) · le pied (foot)

Steps:

1. Step 1: Draw a large circle for the head and label it 'la tête'.
2. Step 2: Draw two long arms and label them 'le bras'.
3. Step 3: Draw two hands at the end of the arms and label them 'la main'.
4. Step 4: Draw two legs and label them 'la jambe'.
5. Step 5: Draw feet at the bottom of the legs and label them 'le pied'.
