

Rosa's French Body Parts Challenge

Learning objective: To learn and identify French vocabulary for parts of the body.

Rosa the parrot wants to help you learn French! Look at the words in the word bank. Write the correct French word next to each body part. Use the sentence starters to help you.

Word bank: la tête (head) · les yeux (eyes) · le nez (nose) · la bouche (mouth) · les bras (arms) · les jambes (legs)

1. 1. Look at the top of your body. What is the French word for head? Start your answer with: The French word is... (2 marks)

2. 2. Which two French words describe the parts of your face used for seeing and smelling? Write them here. (2 marks)

3. 3. You use these to walk and run. Write the French word for legs. (1 mark)

4. 4. Match the body part to the correct French word:

- Mouth: _____

- Arms: _____ (2 marks)

Draw: Draw a funny monster. Label its head, nose, and legs using the correct French words from your word bank.

Extension challenge: Can you count to three in French and say how many eyes your monster has? (e.g., 'Trois yeux').
