

Rosa’s French Body Part Masterclass

Learning objective: To identify and spell 20 key French vocabulary terms for body parts and understand their grammatical gender.

Key Vocabulary

Use this vocabulary list to help you memorise the French names for parts of the human body. Note that French nouns have a gender: use 'le' or 'mon' for masculine (m) and 'la' or 'ma' for feminine (f). Categories: Head and Face, The Torso and Limbs, and General Terms.
