Quels sont tes passe-temps ? Discover the joy of sharing what you love in French with Rosa the Parrot!

- Explain why we use 'au' for football but 'du' for the piano in French grammar.
- Compare and contrast the structure of 'Je fais de la natation' with the English equivalent.
- Justify why learning the verb 'faire' is essential for describing hobbies like dancing or swimming.
- What might happen to the meaning of a sentence if you accidentally swapped 'jouer' for 'faire'?
- Evaluate how using French phrases for hobbies helps you connect with other French speakers.

Did you know? Did you know? In French, we use different verbs depending on the hobby! If you play a sport with a ball, like football, we use 'jouer au'. If you play a musical instrument, we use 'jouer du'. It is a clever way to keep our language organised!
