

Les Mois de l'Année: Mastering the French Calendar

Learning objective: To accurately recall and spell the twelve months of the year in French and understand their connection to seasonal patterns.

Rosa the parrot has been flying across the globe to learn how different countries track time! Use these flashcards to practise your French months. Read the front, guess the French translation, then flip to check your pronunciation and spelling. Pay close attention to the fact that French months do not start with a capital letter unless they begin a sentence.
