

Rosa's French Market Adventure: Shopping Vocabulary

Learning objective: To identify, recall, and apply French vocabulary related to shopping, prices, and quantities in a market setting.

Use these flashcards to practise your French shopping vocabulary. Rosa the parrot suggests saying the French phrases out loud to help with your pronunciation. Once you have mastered the vocabulary, challenge yourself with the 'Greater Depth' questions at the end.

Combien ça coûte?	Je voudrais...
How much does it cost?	I would like...
C'est trop cher	Un kilo de pommes
It is too expensive	A kilo of apples
