

Rosa’s French Verbs and Tenses Masterclass

Learning objective: To understand and apply common French verbs in the present and near future tenses, recognising the importance of conjugation.

Key Vocabulary

Use this reference mat to help you construct French sentences. Verbs are categorised by their function and tense. Remember, in French, the verb ending changes to match the person speaking (the subject).

Explain why it is ...	Compare and con...	Justify your ans... If you wanted to say 'I a...
