

Exploring Asia with Finn the Dolphin

Learning objective: To identify key geographical features and countries of the continent of Asia.

Finn the Dolphin is mapping the world! Look at the list of facts below. Match the correct word from the word bank to the sentence. Use the clues to help you finish the sentences.

Word bank: Asia · Himalayas · Tokyo · Pacific · Great Wall

1. 1. _____ is the largest continent in the world. (2 marks)

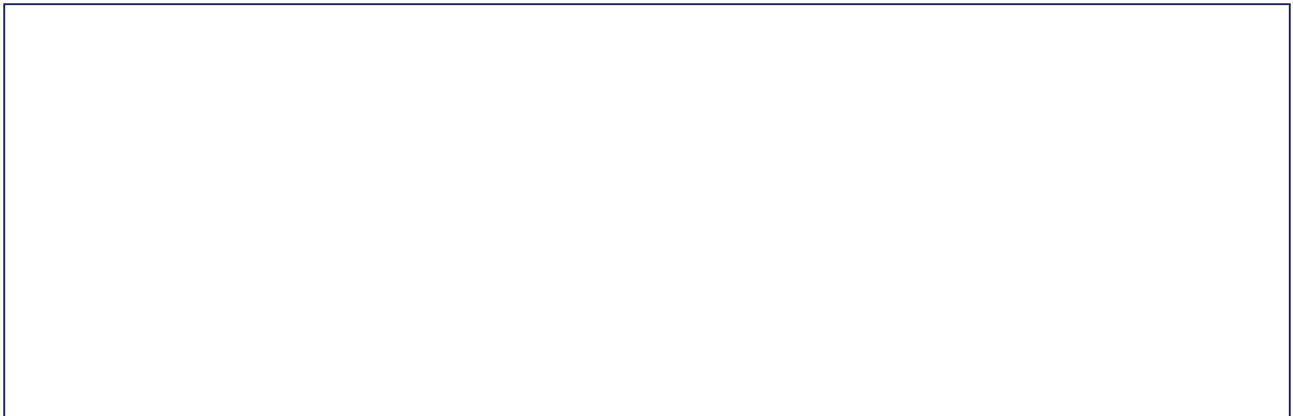

2. 2. The _____ are a very tall mountain range in Asia. (2 marks)

3. 3. The _____ Ocean is found to the east of Asia. (2 marks)

4. 4. _____ is a very busy, large city in Japan. (2 marks)

5. 5. A famous landmark built to protect China is called the _____ of China. (2 marks)

Draw: Draw a picture of a tall mountain range or a busy city street in Asia. Label your drawing with one thing you might see there.

Extension challenge: Can you find one more country in Asia on a map and write its name here?
