

Finn's European Adventure Fact-File

Learning objective: To identify and describe key geographical features of a chosen country in Europe.

Hello! Finn the dolphin is travelling across Europe to map the continent. Choose one European country to research. Use the boxes below to fill in your facts. You can use your school atlas or library books to help you. Use the word bank at the bottom if you get stuck!

Word bank: continent · capital city · landmark · border · coastline · Europe · map · country

1. Country Name: Write the name of the European country you have chosen to study. (1 mark)

2. Capital City: What is the name of the capital city of this country? (1 mark)

3. Landscape: Describe one physical feature of this country. Is it near the sea? Does it have mountains? (2 marks)

4. Landmark: Name one famous place or building in this country. Why is it special? (2 marks)

5. Borders: Which other countries share a border with your chosen country? (2 marks)

Extension challenge: On the back of this sheet, draw a simple map of your chosen country. Label the capital city and draw one famous landmark!
