

Exploring North America with Finn the Dolphin

Learning objective: To identify key countries and physical features of North America.

Finn the dolphin is swimming around North America! Look at the map of the continent. Read the clues below and fill in the missing words to help Finn finish his map. Use the word bank to help you choose the right answer.

Word bank: Canada · United States of America · Mexico · Rocky Mountains · Atlantic Ocean

1. 1. The large country in the very north of the continent is called _____. (It is famous for cold winters!) (2 marks)
2. 2. The country in the middle of the continent is the _____. (It has many big cities.) (2 marks)
3. 3. The country located at the southern part of North America is _____. (It has warm beaches.) (2 marks)
4. 4. The long range of mountains that runs through the continent is called the _____. (They are very high!) (2 marks)
5. 5. The ocean found to the east of North America is the _____. (Finn loves to swim here!) (2 marks)

Draw: Draw a picture of Finn the dolphin swimming in the ocean near a tall mountain. Label the mountain 'Rocky Mountains'.

Extension challenge: Can you find out the name of the capital city of one of these countries? Write it down here: _____.
