

Finn's Geography Flashcards: Learning About Settlements

Learning objective: To identify and define key terms related to human settlements in the UK.

Read the front of the card. Try to guess the answer. Then, look at the back to check if you are correct. Use the word bank to help you.

What is a place where people live and work?

A settlement.

Is a small settlement in the countryside a village or a city?

A village.

Which is larger: a town or a city?

A city.

What do we call the number of people living in a place?

Population.

Does 'rural' mean the countryside or a busy place with many buildings?

The countryside.

What is the word for a built-up area with many houses and shops?

Urban.

Name one thing people might buy or use in a town, like a shop or school.

Services.

Why do people build settlements near rivers?

For water, transport, and trade.

What do we call the place where people live, like a house or flat?

Housing.

What is the buying and selling of goods called?

Trade.
