

Finn the Dolphin's South American Adventure

Learning objective: To identify key countries and geographical features of South America.

Finn the dolphin is exploring the continent of South America. Use the map in your classroom atlas to help you match the facts to the correct country or feature. Write the name of the place in the box next to the description.

Word bank: Brazil · Amazon Rainforest · Andes Mountains · Argentina · Pacific Ocean

1. 1. This is the largest country in South America, famous for its colourful festivals and forests. (Place: _____) (2 marks)

2. 2. This is the longest mountain range in the world, found along the west coast. (Place: _____) (2 marks)

3. 3. This is the world's largest tropical rainforest, which is home to many unique animals. (Place: _____) (2 marks)

4. 4. This country is located in the south and is famous for its wide grassy plains called the Pampas. (Place: _____) (2 marks)

5. 5. This large ocean borders the west side of the South American continent. (Place: _____) (2 marks)

Draw: Draw a picture of Finn the dolphin swimming near the coast of South America. Try to draw some tall mountains in the background!

Extension challenge: Choose one country from the list. Find out one animal that lives there and write its name on the back of this sheet.
