

Max's Money Mastery Flashcards

Learning objective: To recognise and know the value of different denominations of coins and notes used in the UK.

Read the question on the front of the card. Flip the card over (or look at the answer part) to see if you are correct. Max the monkey wants to help you become a maths expert!

What is the name of this small, copper-coloured coin worth 1p?	How many pence are in £1?
1p coin (or 1 penny)	100 pence
Which coin is silver and worth 5p?	If Max has a 10p coin and a 2p coin, how much money does he have in total?
5p coin	12p
Is a £5 note worth more or less than a £2 coin?	Which coin is circular, gold and silver, and worth £2?
More	£2 coin
How many 2p coins do you need to make 10p?	What is the smallest value coin used in the UK?
5 coins	1p coin
If you have two 10p coins, what is the total value?	True or False: A 50p coin is worth more than a 20p coin.
20p	True
Which colour is the £2 coin?	If you have £1 and spend 50p, how much change do you have?
Gold and silver	50p
