

Max the Monkey's Shape Safari

Learning objective: To recognise and name 2D shapes: squares, rectangles, circles, and triangles.

Help Max the monkey sort his jungle finds! Colour the shapes according to the instructions below, then label the shapes you can see in the picture.

Colour this: A friendly monkey named Max is sitting in a jungle clearing. Beside him is a collection of items: a large circular drum, a square wooden crate, a triangular slice of watermelon, and a rectangular book. In the background, there is a round sun and a house with a triangular roof and a rectangular door. The drawing should feature clear, bold outlines for all 2D shapes so children can easily colour them in.

Steps:

1. Look at the picture. Can you find a square? Label it here:
2. Find a circle in the drawing. Label it here:
3. Find a triangle in the drawing. Label it here:
